

Foundation Day, 14th September

On the second anniversary of its foundation day, South Asian Lightning Network (SALNet) proudly presents two eminent invited speakers to discuss on the very key issues pertinent to lightning and panel of personalities representing various institutions.

Lightning and Thunderstorms in the future climate —Prof. Colin Price

Professor in the Porter School of the Environment and Earth Sciences at Tel Aviv University, and the Head of the Department of Environmental Studies

An overview of Lightning Protection System —Er. Mitchell Guthrie

Mitchell has been a member of the USNC/IEC TC 81 TAG since its inception and serves as its Technical Advisor for the USNC. He served as TC 81 Chair from December 2007 to December 2016
