

## **Lightning In Rubanda District kills a school child [Uganda]**

13 August 2021

As we had gone to survey Greenfield primary school found in Amugwa town council Rubanda District, southwestern Uganda, we discovered of an instance of lightning that had killed a school girl of thirteen years from Nangaro village, Amugwa town council though the lightning happened at the home of the child.

The lightning happened at night 21:00 hrs.' The child is by the names of Owamani Vanitha born to Mr. Arinaitwe Robert living in Nangaro village Amugwa town council the story was told by the father of the deceased, Mr. Robert that it happened at night around 21:00 at their home when it started drizzling and lightning happened all over sadden it took the life of his child and part of his house was demolished. No any support or anything was done to this family, they are struggling to build their house after the burial of their child.

After realizing this Mr. Akampurira Robert director of Greenfield nursery and primary school found his way to contact aclenet for help, Greenfield primary school is where the deceased and the brother have been studying from, primary four (class 4). Mr. Robert was scared that this may also happen at the school causing many deaths.
