

## **Angola: Lightning Kills Three People in Longonjo Municipality**

5 MARCH 2012

Longonjo — Three people died Saturday at Chilata Commune, central Huambo Province, due to an electric discharge, following heavy rains that hit the locality, ANGOP has learnt.

The members of the same family were resting, when the lightning hit their residence.

"We have no equipment to protect the populations from electric discharges hitting the region, but we hope the government set up some lightning conductors", he explained.
