Windhoek

A communal farmer in the Kavango Region, Gideon Hamunyera, suffered a heavy loss when 11 of his cattle and two goats were killed by lightning.

The incident occurred at Mukekete village in the Mpungu Constituency on Wednesday.

Agricultural extension officer Hamutenya Anton said the value of the livestock was estimated at N\$30 000.

Earlier last week, one person was killed and three others seriously injured after they were struck by lightning in the Kavango Region on Tuesday.
