## **Lightning kills four, injures 11**

Huambo - At least four people died and 11 others injured, following two electrical discharges in the last four days, in the municipality of Londuimbali, about 22 kilometres off Huambo city.

The information was released Friday, to Angop, by the spokesman for the provincial command of the National Police, Superintendent Fernando Maçao, said that they still registered in the municipality of Katchiungo the death of one citizen attacked by a bull, while grazing the cattle.
